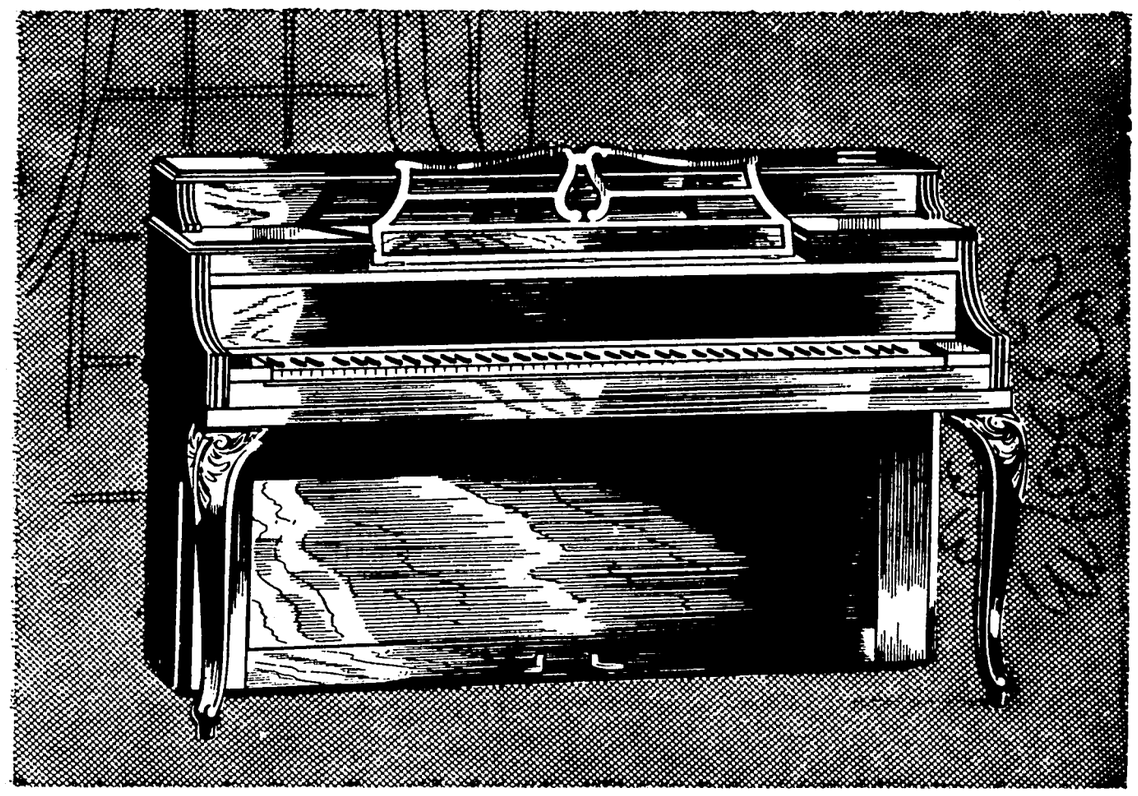
PREFACE

IN presenting the Seventy-Fourth Annual Edition of the City of Hamilton Directory, we thank the business men and patrons in general for the liberal and enthusiastic support they have given us.

The number of names in the Alphabetical Section is 99,117. Wives' names approximate 39,500 making a grand total of 138,617 names in this section of the Directory.



The Street Directory shows some 55,500 listings including Householders, Firms, Offices, Buildings and Institutions. Our estimate of the population of the City proper is 213,325.

There are a number of persons whose names are in the directory who just live outside the city limits, and others who live in nearby municipalities including Bartonville, Hamilton Beach, Normanhurst and Strathbarton, so the residential and working population of greater Hamilton is 217,000
